Pack Meeting Code of Conduct and Rules!

At Pack meetings we will have tables with Scouts and leaders up front and
then families and siblings behind the Den tables. Tables will be labeled! I

think this worked well last year. I would like to see it continue. Please talk to your families and scouts at your Den meetings about this. We want families to be part of the Pack meetings, but not a distraction to the quality of the Pack meetings. Please bring things to keep the siblings busy and quiet!
