## Cub Master Corner

Responsibility -This month's core value is responsibility. Responsibility is fulfilling our duty to help others and take care of ourselves. It is behaving safely and appropriately without being told. When you repeat or say The Cub Scout Promise, "I .... promise to do my best, to do my duty to God and my country..." you are saying that you accept responsibility for your actions. Every time you accept responsibility you are defining your character, who you are as person. Jim Rohn has this to say about character and responsibility, "Character isn't something you were born with and can't change, like your fingerprints. It's something you weren't born with and must take responsibility for forming." Take care of yourself and others around you by accepting the responsibilities your parents give you and doing them to the best of your ability.
